

NAMIC VOTER'S GUIDE

Dear NAMIC Member:

On Tuesday, November 8th, voters will not only elect the next president, but also all 435 members of the U.S. House of Representatives, and 34 U.S. Senators. At the state level, 12 Governorships and nearly 6,000 legislative seats across the country also hang in the balance. As Election Day approaches, it's important to remember that each one of us has a hand in determining the direction of our country, and our industry.

The candidates we elect will define the path forward for the development and implementation of international insurance standards, the fate of the National Flood Insurance Program, the integration of commercial drone use into U.S. airspace, as well as the regulatory environment in your state.

These decisions will directly impact your businesses and policyholders, and the best way to ensure your voice is heard is to vote on Election Day. That's why NAMIC has prepared this voter's guide, which provides information about how and where to vote in your state and how to obtain an absentee ballot if you won't be able to vote on Election Day.

I hope this guide helps provide the information you need for this year's Election Day on Tuesday, November 8. See you at the polls!

Sincerely,

Kristin Eichhorn
Director, Grassroots Advocacy

ELECTION DAY IS COMING!

- **Election Date:** November 8
- **Deadline to Register to Vote:**
 - Online or By Mail:** October 11
 - In Person:** November 8
